Japanese National Health Magazine Labels Van. Nisei Doctor H. Saita "Wonder of Osteopathics"

VANCOUVER.—Vancouver Nisei, Dr. Harold S. Saita's arrival in Tokyo to present a paper on the human skull is eagerly anticipated by world experts in this field.

Hailed as the "Wonder of Osteopathics" in a recent issue of Japan's national health magazine, "Kokumen Kenkoshi", Dr. Saita will be in Tokyo this fall to attend the International Osteopathic Medical Conference.

This Vancouver-born Osteopathic physician and surgeon has been in practice for some 30 years in this city. At 65 years of age, Dr. Saita is reported as still waking regularly at 4 a.m. to attend patients. Down through the years he has been a regular contributor of valuable osteopathic information to the press, television and magazines. He is a former President of the Vancouver JCCA.

J.C. "Thermometer Thief" Is Innocent

VANCOUVER.—A University of B.C. Nisei student was acquitted of a theft charge last week after saying he accidentally walked out of a downtown store with a $1.49 thermometer in his pocket.

Kenny Nishi, 22, said he did not intend to steal the article and was shocked when a store detective stopped him on the street.

In dismissing the charge, Magistrate Maurice Mulligan said there was reasonable doubt that Nishi had formed any intent to steal. The magistrate also said the thermometer had not been positively identified during the trial.

Nishi, of 2395 Dundas was charged May 8 and pleaded guilty a week later.

However, Magistrate Les Bewley changed Nishi's original plea last week after reading a pre-sentence report which he said indicated a not guilty plea was in order.

To Appear Sept. 14th ....

Conductor Ozawa In City Hall Opening Ceremony Week

TORONTO.—Japanese conductor, Seiji Ozawa, looking a good decade younger than his 29 years, arrived in Toronto International Airport this week from Paris to begin his job as the new permanent conductor of the Toronto Symphony Orchestra. His first official duties will take place on Sept. 14th during the new Toronto City Hall Opening Ceremony Week when, along with the Canadian Opera Company and the National Ballet of Canada, the orchestra will be featured in a 1½ hour show.

This new job does not however, nail Ozawa down to a stationary existence in Toronto. His career as a trans-Atlantic commuter carries on.

After only one Toronto appearance — at the opening of City Hall — Mr. Ozawa and the orchestra fly to London Sept. 21, to represent Canada in the Commonwealth Festival.

Earlier this week, Mr. Ozawa conducted the French Radio and Television Orchestra at the opening of the Besancon Festival. He flew to France from New York, where he had conducted a week of concerts with the New York Philharmonic, the orchestra for which he has been assistant conductor for the past sev-

Seiji Ozawa

eral seasons.

Where was Mr. Ozawa before that? In London recording for RCA with the London Symphony Orchestra. And before that? In Chicago, as music director for the second time of the festival in Ravinia Park.

After Oct. 13, he will remain earthbound until December. Then he will fill two guest engagements, with the Philadelphia Orchestra and the Tokyo Symphony, arriving back in Toronto for the New Year.

When does Mr. Ozawa sleep? "Mostly on airplanes," he said.

Issei Mother's Wish To Die A Canadian Citizen Granted

STEVESTON, B.C. — A 78-year-old Japanese woman will now be able to satisfy her wish to die as a Canadian.

Mrs. Kiku Nitta, of Steveston, was among 44 persons, who became Canadian citizens in a ceremony held on Sept. 3rd before Judge Eric Chown.

Mrs. Nitta, who first came to Canada 47 year ago, explained through an interpreter friend her reason for taking out her citizenship after such a long time.

"She would like to die a Canadian citizen," was the simple explanation.

The spry Mrs. Nitta first followed her husband here from Japan in 1918.

After initially spending 25 years in Canada, Mrs. Nitta returned to Japan with her farmer husband in 1941 for a 17-year period. Following her husband's death, she came back once again to Canada, where she has two sons and a daughter, some six years ago.

Man Who Held Up Toronto Nisei Store Gets Prison Term

TORONTO. — A gunman who held up a Yonge Street Nisei wholesale jewelry office in May, 1964, Gerald Redman, 36, pleaded guilty this week to four armed robberies and five charges of uttering cheques in a Toronto bank.

Back in May, Nisei wholesale jeweler, [illegible] Nakamura, looked down the barrel of a 45-calibre revolver, gave up $40 cash and was left tied up with adhesive tape and his own belt by Redman.

Magistrate F. Opper sentenced Redman to a total of nine years and three months in Kingston penitentiary.

Tojo was tried as an A Class war criminal by the Far East military tribunal and was executed in 1948.

Some high school teachers are already making an issue of the inclusion of Tojo's photograph in the books. They say it is an indication of the Education Ministry's "thought control."

These school teachers are also complaining that the Education Ministry deleted any reference to the Far East military tribunal which tried Tojo and 26 others on charges of war crimes.

All history books must receive approval of the Education Ministry before they are published for use by students.

The controversial photograph of Tojo shows him in military uniform encouraging Japanese war orphans during an inspection tour he made as premier.

Second CNE Karate Championship Results . . . .

Tsuruoka's 'Blonde Bomber' Wins CNE Karate Title

TORONTO. — One of Canada's finest karate stylists, Hal Henschel — the "Blonde Bomber" — of the Hamilton Tsuruoka Karate School captured top honors at the Second Canadian National Exhibition Karate Championships held here on September 6th at the CNE coliseum.

After fighting his way into the 1st and 2nd Kyu Quarter Finals, he met Jim Hart of the Yoseikan Karate Dojo. Henschel scored an "ippon" with a counter punch to the face and managed to hold this lead until time ran out. All matches were two "ippon" point matches, or until time ran out.

In the Semi-finals he faced the rough-tough police officer from Ottawa, G. Sylvain. Henschel, working from classic "zenkutsu" and "kokutsu" (forward and back) stances, started the fireworks with bold attacks against his husky opponent and scored with a fast punch to the ribs that slid home with gear-meshing precision. With time fast running out, Sylvain began making frantic charges and once even chased Henschel out of the square. With wild shuto chops, which were effective in downing many of his earlier opponents, the Ottawa police officer continued his desperate lunges. He was so busy charging around that for once he even forgot about using his favorite point-getting device — an "uraken" (back fist strike) with a rather theatrical shivering and shaking at the end of the strike to denote tension and guaranteed to get any judge's attention. However, everyone in the crowded cattle dojo seemed to know, it was only a matter of time before the gliding "Blonde Bomber" would strike back. And strike back he did, with a beautiful yoko-geri (side kick) that was straight out of the instruction book and finished Sylvain for the evening.

In the final match for the championship, Henschel met K. Fisher, a slim, leggy youngster from Toronto's Yoseikan Dojo. On his way into the finals, Fisher had squeezed a win over one of Canada's outstanding fighters, Fred Boyko of the Tsuruoka Karate School. Henschel, moving smoothly like the sensei, and Fisher, looking like the youthful student, threw some long range artillery at each other looking for openings. Henschel finally out-timed young Fisher and smashed home a punch that had "ippon" labelled all over it. When time ran out, Hal Henschel, the "Blonde Bomber" from Hamilton, Ontario — and the karateka to watch for in the future -- became champion.

THIRD KYU DIVISION

In the final match of the Third Kyu Division Championship — one of the most boring and drawn out affairs in Canadian karate history, as one spectator put it — Dave Heal of the Tsuruoka Karate School and D. Borelli of the Lalonde Karate Institute of Montreal met, took their respective stances, and waited for the other to attack. Finally, Borelli — standing in a statue-like neko-ashi dachi (cat stance) style, waiting for that one big front kick that had his teacher's name, "Tran Quan Ba' of Burma", written all over it — did some pawing. After a slight pause, while many exhibition spectators picked up their shopping bags, stuffed dolls, and marched back out to the midway, something happened and Heal of Toronto scored with a punch to the chest to end the match — much to the relief of spectators that were left and the harried officials.

The Best Sportsmanship Trophy went to Michel Bertrand of Ottawa from this division. The decision for this award was probably b e c a u s e Bertrand fought his way through most of the tourney with what appeared to be a sore leg. It took courage. But how did he receive the sore leg in the first place? Surley one of the reasons must have been when he performed an uncontrolled flying kick at last year's CNE champion, Terry Nishikawa of the Nisei Karate Club just outside the fighting-square and hurt it on Nishikawa's chest. However, it did look to all the spectators, that it was Nishikawa that had to be revived. Although contacts were to be disqualified, Bertrand somehow received a point for this performance. After a chest x-ray, Nishikawa was advised by a doctor at the hospital (there was no tournament doctor) to rest for a week. C'est la vie!

4TH KYU DIVISION

J. Larmour, the current Eastern Canada Division Champion, once again proved his supremacy by defeating J. Jossart of the Favre Karate School of Montreal with punches to the body and head to take this division. Although he won his final bout with punches, Larmour is a good kicker. He fought under the Hamilton Tsuruoka Karate School banner. Some of the best karate action of the evening was seem in this division.

5TH & 6TH KYU DIVISION

B. Florient of Ottawa met J. Carnio of Toronto Yoseikan in a lively final match. With both opponents scoring "ippon" punches, J. Carnio made contact once too often and was defaulted. B. Florient took the crown.

『いけませんかな』

『無論いかん』

『江戸では一人旅は泊めない法度もあるのですか』

『いや、それは泊めてはくれる、しかし、ぽっと出の田舎者と、失礼、江戸になれないなと見ると、法外に宿賃をむさぼられる。第一、江戸は生馬の目を抜くところと申してな、うっかり歩いていると、それ、さっきのような奴がやたらに喧嘩を吹っかけて、酒手をねだりたがる。巾着切が紙入を狙う。これがなかなか名人揃です、はいている下駄まで見事に掏るんだから、胴巻の金を抜くぐらいはなんでもない話だ。失礼ながら大金を所持しているんだろう』

『それほどでもありませんが、ほんの百両足らずです』

『ううむ、百両――。さすがは御三家の浪人だな。しかしいかん。ますますいかん。貴公、ポン引きというのをご存知か』

『知らんです』

『そうだろう。だから、あぶない。ポン引きというのは、ぽっと出の田舎者を、いで持ち逃げする。ひどいのになると、その逃げ賃に人間の体まで売って行く』

『そんな事できますかな』

『それができるんだから名人揃だ。あぶないですぞ。人を見たら泥棒と思え、女という女は、貴公をたらして裸にしようと爪を磨いでいる。男という男は、貴公をぺてんにかけて身ぐるみ剥ごうと目を光らせている』

『どうせ裸にされるんなら女の方がましです』

忠兵衛は、おもしろそうに笑い出す。

『そ、それが貴公いかん。江戸の女は、田舎者にはとても垢ぬけて見える。だから、つい引っかかるんだが、いい女ほどうしろに悪い紐がついていて、それが美人局はやる、酒で殺す、ひどいのになると本当に一服盛る奴さえある。よろしい、袖振りあうも他生の縁だ、貴公が江戸に馴れるまで、拙者が指南役を買って出よう』

『いや、それには及ばんです』

『そうではない、貴公のような坊ちゃん育ちを一人でおくと、どんな目にあわされるか、わかったもんではない。五年間江戸で苦労しているから、江戸のいいも悪いも、残らず極めてあるんだ、それを一通り伝授してあげよう。武士は相身互いだ、遠慮はいらん』

『もし、江戸馴れた陣場兄さん』

うしろからふいと呼ぶ女がある。

『誰だ』

陣場亀十郎が、ぎょっとしたように振りかえると、粋者とも見える水ぎわ立った女が、強い目をして立っている。これが陣場亀には先日の両国の小妻とは知らないから、

『なんだ、お前は――』

と、肩をそびやかす。

そうでもしないと、自分の身なりが、あんまり尾羽打枯しているからで、ちょうど芝国橋へかかろうとするあたりであった。

カナダ・スーベニア・コンテストでデトロイトの若い自動車スタイル專門家ラフアエル・デビアドソン氏が入選、二千弗の賞金をうけた。同氏は『インスタント・メープル・ツリー』を提案したもので、セラメック(陶器)の器物にメープルの種のトップを切り、水を與えるとたちまちメープルの苗木が發育、一ヵ月後には移植しなければならないほどにのびる。

發案者は『メープルはカナダのシンボルであるからメープル種をセラメックのいれものにいれて苗木にしてはと思いつき、實驗したところ好成績を示した』と語っている。同氏は賞金二千弗のほか、もし商品化されればそのローヤルチー(權利金)もうけることになるわけである。

【晩市】ビーシー州沿岸のサモン漁は近年にない不良收穫で製鑵高もぐんと減少している。キャナリー業者は國內の需要をみたすには十分であるが、輸出向き(主に英國)はほとんど半減することになろうといっている。

現在キャナリーが製鑵した成績は七十万ケースで、まだ十月中旬まで製鑵操業するとしても昨年の百三十万ケースには到底及ばないとみているが、國內の消費者はサモン罐不足になやむようなことはまずなかろうとみている。

故池田首相の遺骨迎え 盛大な廣島縣民葬

在東京 鈴木重三

故池田勇人前首相の自民党葬が八月十七日東京の日本武道館で執行されたのち広島県民葬は八月二十三日午後二時から同首相の母校同県竹原市吉名町、吉名小学校で行なわれた。

満枝未亡人の胸にだかれた池田前首相の遺骨は、午前十時広島空港に到着、約八〇キロの道を自動車で生家の竹原市吉名町、酒造業池田書泰さん方にはいった。

このあと午後一時三十分四万市民が弔旗をかかげ、哀悼の目で見送る中を郷土が生んだ偉大な政治家、池田さんの遺骨は約八〇〇メートルの道を肉親にだかれ歩いて同校式場へ――。式には葬儀委員長の永野県知事ら五千人が参列、池田さんの偉業を偲んだ。ひきつづき同四時からは告別式が行なわれた。

×

□故人の放言を分析する□

故池田前首相の偉人や業績については、すでに政界財界、社会各層の名士によって讃辞が盡されている。今さら一介の浪人があえて蛇足を加える余地はないが、しかし浪人は浪人なりに一寸の虫にも五分の魂からいささかいいたいことがなくもない。

池田さんは『数はウソをいわない』とよくくりかえしていわれたが、その言の通り、思うことを歯に絹きせずにズバリ言いきる性癖があり、そうした性分から時として意外な放言が飛び出すのであった。當時問題をおこした舌禍として『ヤミ商人の一人や二人死んでもやむを得ない』や『貧乏人はムギを食え』とかがある。いずれも新聞記者の質問に答えたものであるが、非情な言い分として物議をかもし、議会では反對黨から不信任案が提出されたり（不成立）、新聞界からもきびしい批判を浴びせられたりした。しかし、そうした言葉から池田さんの心境を忖度するのも無意味でないと思う。

昭和二十四年（一九四九年）吉田内閣の蔵相となり戦後の深刻なインフレの真最中その克服の大任を負わされ、財政經濟破局の瀬戸際に立たされたのであった。その大役は生やさしい手段では到底抑えきれないと決心し、勇猛心をふるいおこして『大義親（シン）を滅す』という古語そのままに、一人二人のヤミ商人が犠牲になってもインフレ退治に手加減は許されないと不退轉の覺悟で邁進したであろう。その救国の一念に凝った鐵石の心境を解せずに、いやしくも公器たり、公器をもってゆるす一連の大新聞が、いたずらに大衆心理に投合する酷評に終始して憂國觀念を度外視する態度に、當時私は憤慨禁じ得なかったのである。

元來池田さんは身を持することきわめて質素で、アメリカ帰りのみやげに鉛筆一本とか、出征者には一匹の魚を買い得なかったとかの逸話があるくらい、常に節約をいましめ、その分に應じて生活する心構えであった。『麦メシ』放言にしても、貧乏人に非情のように聞こえ、反對黨やマスコミ界から罵声を放ったのであるが、分限生活の警句として受けとればわかることであろう。それを自ら實行する池田さんは徹頭徹尾理財の人であった。

その理財の信念、識見、才能を発揮して、戦後わずか十五年ばかりの期間に日本の産業・經濟を一躍列強の班に押しあげ、世界の耳目を聳動せしめたのである。日本の來年度予算概算は四兆六千億円といわれ、貿易面では年間輸出目標八十億ドルとつたえられている。こうした政府予算の膨脹、通商の大發展は産業・經濟の高度成長の結果である。池田さんはその立役者として大業績を讃えられている。

大ト市の様相

メトロ・トロントは一九六五年の大ト市現狀報告書をこのほど發表した。多くの日系人が住んでいるトロント市のことを要約してみると次の通り。

メトロ・トロントは現在十三のタウンシップとヴィレッヂによって構成されている地域二百四十平方マイルに、ほとんど百七十五万が住む大都會である。今後二十五年には、その人口は

階、四十階近いアパートも日増しの狀態で建てられている。大ト市内の人口百七十五万人のうち自然増加は四五%、移民による増加は五五%というから、各國移民の定着目的地であることを物語っている。過去十一年間における平均人口増加は五万以上となっており、この間、二十歳以下の人口増加は八〇%である。

弗をそのために費しており、メトロ内の車道組織は三百六十四マイルにまでのびてきている。もちろん自動車數もカナダ第一で、登録數は一九五三年より三十三万台もふえて、昨年の自動車數は六十五万台、一〇〇%の増加で、二・七人當り一台のカーとなる割合で、世界的にも自動車所有率の高い都市の一つである。

またメトロ内の地上および地下電車とバスのサービスは一日平均、週間に九十五万人を運んでいる。メト

地下鐵は一九六五年末から運轉を開始する。この長さは八マイルで、さらに六マイルが一九六七年末に完成の予定である。

セント・ローレンス水路の開通によって、トロント港は急激にその施設をモダン化し、擴充されて外國五十ヵ國の大船が出入りするようになっている。空港も毎月約五千機が發着、年間約二百五十万の乘客が出入りし、三千人が空港に雇われている。空港建物は超モダンで、お客の便宜をはか

十一月八日に連邦の總選擧

首相發表

各野黨主が一齊に非難の聲

【オタワ】ピアソン首相は八日夜、カナダとしては前例のない、全國テレビ及びラジオ放送で『議会解散・總選擧』を發表した。投票日は來る十一月八日(月)で八ヵ年内に五度目の選擧である。

ピアソン首相は『この決斷は首相としての私ひとりに課せられている責任である』と前提し、與黨政府が推進したい幾多の政策も少數政府ではやりにくいので、カナダ投票者から絶對なる信頼と支持を受け、過半數以上の優勢で審政の遂行を願うために選擧もやむなくなったわけであると語った。

しかし、この發表後半時間で各野黨主はピアソン首相の選擧決定をなじり、國民はもう投票することに嫌氣がさしているとし、黨利のみを考えてのこの決定は國民福祉を無視した横暴なものであると非難している(ト市の三英字紙も社説で不要な選擧であると同一的論評をかかげている。)

議會解散前の各黨分野は次の通り。

△自由黨 一二九△保守 九五△新民主 一七△社信(兩派)二十四。

なお投票者調査は九月二十日から二十五日まで。投票日の投票時間は午前八時から夜七時まで(地方標準時)

總選擧は國民に大負擔

直接費だけで千三百五十万弗

【オタワ】カナダ國民は來る十一月八日の連邦議会總選擧でばく大なる費用を背負い込むことになる。投票主任官ネルソン・キャストンゲー氏の推定によると、選擧の直接費用は千三百万弗、間接費用は献金、表記されない支出などを加えると直接費の幾倍にもなろうといっている。

同氏の見積りによると選擧費は國民有権者一人當りに一弗二十五仙、有権者は千七百万人である。立候補者もほとんど二年おきに行われてきた選擧の負擔を、いまやっと返濟したばかりなのに、またもや出血でたまらないと悲鳴をあげているのが多い。

新民主黨の有力議員であるオ州ポート・アーサー選出ダグラス・フィッシャー氏は『家庭の人に歸る』と宣言、立候補しないことを決意したと發表した。政治より家庭(五人の子供持ち)がより大切であるというのである。

列國議員會議

【オタワ】第五十四回列國議員同盟会議が今週オタワ下院議場でひらかれ、ピアソン首相が『國際協力』について訴え、またバニエー總督も『民主主義擁護』について開会の辭としたのち出席六百余人の各國代表議員間にベトナム戰争を中心とした討論が交わされた。

ピーシー大學教授の採点誌ベストセラー

【晩市】ピーシー大學の學生がつりあげた『ブラック・アンド・ブルー・レビュウ』と題する小冊子は、同大學生間にベスト・セラーになっている。この七十五仙の冊子には同大學の科學科教授の教え方を採点しているもので、在學生八千人から集めた質問狀の回答を基礎にしたもの。

たとえばある教授の授業はとても興味深くて學生を喜ばすが、ある科目を教えるプロフェッサーの講義に出席するには覺醒劑を使う必要があるという具合に、百三十三人の教授の評價点數を列記している。

このうち三十三人の教授には最優秀と折紙をつけているし、六十人はまず普通、殘余は不良、最不良と採点しているので、新入學生はこの『虎の巻』一冊あればだいたいどの科目の教授の授業はどんなものかが一目瞭然というわけである。

日本、停戰呼かく

ウタント事務總長が必死努力

【東京時事通信】日本政府は七日夕刻、インドのシャストリ首相と、パキスタンのアユブ・カーン大統領に對し、兩國のよりよき紛争の速やかな解決を希望する佐藤首相の親電を現地日本大使館を通じて送った。また下田外務次官は八日、駐日インド大使、駐日パキスタン臨時大使を個別に外務省へ招いて、七日首相が兩國首脳にあてた親電の内容を傳えた。

【ニューデリー】インドとパキスタンは双方にジェット戰闘機をとばし、戰車をつかい、投下落下傘部隊を用いて激戰を展開しているなかに、ウタント國連事務總長は當地に到着、紛争擴大防止に必死の努力をこころみることになった。

【ジャカルタ】パキスタン支持を叫ぶ約四千人のインドネシア人の群衆はインド大使館を襲い、館内の備品を盗み出し、圖書館内をめちゃくちゃにするという亂暴を働き『インド大使館はインドネシアの財産だ』といきまいた。

中近東に波及か

インドとパキスタン紛争は中近東諸國にまで波及する恐れがある。パキスタンは同胞の囘教國、イラン及びトルコの支持を期待しているし、アラブ共和國のナサール大統領は歴史的友邦國であるインド支持に頭をなやますことになろう。

選擧費に百万弗

新民主黨が

【晩市】新民主黨のダグラス黨主は今週當地で新民主黨は今次選擧費百万弗を使うことになろうと發表した。一九六三年度の選擧に同黨が使った選擧運動費の倍額になるわけであるが、該黨主のように『旅客機一機をチャーターしてとびまわるまでには到底いたらない』とダグラス黨主は語っている。同黨主は二十日プリンス・ジョージを皮切りに、カムループス二十一日、クローナ二十二日と遊說日程を組んでいる。

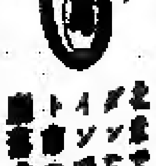
カナダの放送

調査報告

【オタワ】カナダのテレビ及びラジオ放送に關するロイヤル・コミッション(ファウラー委員会)が今週調査の結果の報告書を公表した。それによると國内放送プログラムを統制管理する『カナディアン・ブロードキャスティング・オーソリチー』を設けるべきだと進言、また番組内容はカナダ的性格のものを優先的に取扱うことを主張し、午前中のテレビは教育面に重點をおくべきだとしている。

更に同報告はカナダ放送協會の本部をオタワとせずモントリオールに設置すべきが妥當であるとし、民間放送もよりカナダ的な内容を盛った番組を編成すべきであると述べ、シービーシーの海外放送『カナダの聲』を擴充、予算も増大して積極的な海外宣傳を行うことである。

これらの改正または擴充に要する費用の一部にあてるため、國内のテレビ所有者に對し、年二十五弗の聽視料金を徴集することも望ましいとしている。國内の家庭用テレビは四百五十八万二千台と發表されている。



世界で最もモダンなデザインであるト市の新市廳舎[illegible]式が來週月曜から行われるが、そのもようはテレビやラジオで放送される。また十四日(火)からシティ・ホール新廳舎も開始される。新塔の右側の二階にわかれた廣さ一万八千平方呎に二万五千のブックが並べてある。毎月曜から金曜まで、午前八時半から六時までひらく。

日加會議中止

【東京時事通信】日本政府は二十三、二十四兩日、オタワで開く予定の第四回日加閣僚会議を取りやめることにし、八日カナダ側に通知した。これはカナダ下院が七日解散したためである。

【ケベック】ケ州勞働大臣は今週ケ州内の最低賃銀一時間七十仙を八十五仙と十五仙増額すると發表した。

天皇の乘用車

二万九千弗特製

【東京】天皇、皇后兩陛下の乘用車を國産車に切り替えることになっているが、プリンス自動車はこのほど二万九千弗のスペッシアル製を天皇乘用車にすることにきめているという。

カナダの山奥に逃れ米人團が仙人生活へ

【ピーシー州アラート・ベイ】晩市北方二百五十哩にある元ロギング・キャンプ跡に、このほど十三人の米人がどっさり書物、銃砲及び弓と矢を所持して到着した。ここに『わずらわしいモダン社会から逃避して別天地のような安住地をつくる』ためにきたと一行を訪れたブラシュ・ベイヤットに語った。

このニュースをキャッチした晩市プロビンス紙は早速記者と寫眞班を現地に送ってインタビューさせたところ、山岳中の人里はなれたキャンプ跡を選んだのはここで新しい生活をきづき子供たちに米國のラバースタンプ式生活から自由にさせるためであり、万一、原爆戰争による放射能害も防げる好適地だと説明した。

一行中にはミシンニスト、農具資産家、フリーランス投書家などがふくまれており、二百九十斤の弾丸の運搬を待ってあり、ゆみの矢もどっさりで、すでにゆみで動物を射ち殺して食糧にしているが、ピーシーの山奥に『個人的な要塞』が建設の合議と共に問題すると警戒になっている。

Canada Is Heaven Says NC Founder Shinobu Higashi

By JOHN MOELAERT

Canada is heaven, only most of us don't know it.

This is the view of a U.B.C. educated, veteran Japanese journalist, who has criss-crossed the world.

Peter Shinobu Higashi, assistant chief of the Associated Press bureau in Tokyo, said the most striking difference between Japan and Canada is the population density.

To illustrate his point he said: "If you were to put the entire Canadian population in an area formed by a 100-mile radius from Vancouver, you'll get an idea of Japan's population density."

Tokyo alone has 11 million inhabitants, making it the world's largest city. This scarcity of space is reflected by smaller living quarters for the Japanese than what Canadians are used to, and have to be.

To live western style in Japan is consequently very costly. Western style living quarters, for example cost around $300 per month!

What does the average Japanese know about Canada? Very little, according to Mr. Higashi.

He said that Canadians generally know considerably more about Japan than vice versa. He explained that a country is usually and primarily known by its consumer goods and that there are far more such items from Japan in Canada than the other way around.

Canada exports chiefly grain and raw materials and that does not tell much about a country.

The average Japanese person knows Canada is north of the U.S., that it is a huge country and quite cold. In fact, he believes it to be a lot colder than it really is.

Only recently has the Canadian government embarked upon a program aimed at informing the Japanese better through films and booklets.

Mr. Higashi came to Canada when he was only two years old. He graduated from the University of British Columbia in 1938, having taken an honors course in English.

He acquired his first journalistic experience at the university's paper: The Ubessey. Shortly after he co-founded this newspaper, The New Canadian with Tom Shoyama.

In 1939 he started work on an English language paper in Manchuria, which ended when he served in the Japanese army until the end of the war. During the next three years he learned brick-laying, the Russian language, and the meaning of slave labor as a civilian internee in Alma Ata, the capital of Kazakhstan.

He was repatriated to Japan in 1948, re-entered the newspaper field and in 1950 started his career with the Associated Press.

Mr. Higashi will be in Ottawa until Sept. 17th to cover the Inter-parliamentary Union Conference. He will return to Japan following the conclusion of the conference.

RYUJIN

VANCOUVER, B.C. — Nearly 200 friends and relatives paid final tribute on Sept. 3rd to a young bride-to-be who died in a boating accident.

The funeral for 21-year-old Jane Ryujin, of 4090 Union, Burnaby, was held in the Vancouver Buddhist Church, 220 Jackson.

The service, conducted by Rev. S. K. Ikuta, was mainly in Japanese, with Buddhist chants and prayers.

Mr. Ikuta said Miss Ryujin was known for her friendliness and willingness to help.

Miss Ryujin died after being tossed into the water recently under Lions Gate Bridge when large waves swamped an 18-foot inboard runabout.

A coroner's jury on Sept 3rd called for an investigation of hospital treatment given Miss Ryujin after the accident.

She was revived by artificial respiration and admitted to Vancouver General Hospital, apparently in satisfactory condition but suffering from shock.

Her condition deteriorated the next morning and she died on Aug 30th.

Imperial Household Agency Doesn't Back Up Prince Mikasa's Foreign Schooling Plan

TOKYO.—The Imperial Household Agency is not backing Prince Mikasa's proposal that members of the Imperial Family should study abroad to add to their experience and knowledge of foreign languages.

Nobuyoshi Uryu, deputy director of the Imperial Household Agency, is negative about the plan because of the difficulties involved in gaining budget outlay for study abroad by Imperial Family members.

Thus there is a wide discrepancy between the views of the Imperial Household Agency and Prince Mikasa, younger brother of Emperor Hirohito, on the matter of such study abroad.

Uryu is also cautious about Imperial Family members getting scholarships for such study because he fears such benefits may affect the dignity of the Imperial Family.

At a news conference recently prior to his forthcoming trip to Canada and the U.S., Prince Mikasa proposed that the way should be opened for Imperial Family members to study abroad to give them a basis for playing increasing roles by associating with foreign dignitaries and diplomats.

He also showed enthusiasm for educating his children in foreign countries.

This is the first time that a Prince in Japan has made public a proposal on this kind of issue.

According to Prince Mikasa, meetings with diplomats and state guests occupy a great part of Imperial Family.

The Prince opines that in a sense, the Imperial Family has a role and duty similar to diplomats.

He stressed that the impression a member of the Imperial Family gives in meeting foreign diplomats or state guests often provides the basis for their judgement of Japan.

The Prince believes that the insufficient knowledge of foreign languages among Imperial Family members will give wrong impression to foreigners.

The Prince, who is an avid student of the Orient, once had hoped to study abroad but could not see his hopes realized due to economic reasons.

He hopes that his three sons including his eldest son Tomohito, 19, a freshman at Gakushuin University, will be able to go abroad for study.

There is a financial problem involved, however. State funds amount to 6,200,000 yen (about $17,200) a year for a Prince and 620,000 yen (about $1720) for a child who is still a minor.

It is impossible to make outlays for study abroad out of these amounts.

On this point, the Imperial Household Agency takes the view that aside from Crown Prince Akihito and his son Prince Hiro, who will become Japan's Emperor in the future, it is very difficult to budget for study abroad by Imperial Family members.

The Agency has no basic solution to the issue, however, although it is in favor of Prince Mikasa's idea as far as 'Imperial diplomacy' is concerned.

The Agency opines that an Imperial Family member is not a diplomat and says that his personality should serve to create a favorable impression on foreigners even without meeting the language barrier.

Thus, the Agency feels it is not important to have Imperial Family members study abroad as asserted by Prince Mikasa.

What the Agency fears is the reaction by the finance ministry and people of Japan to the Prince's proposal to study abroad with government funds.

Prince Mikasa is understood to have arranged to have a study of the possibility of his son being educated in the United States as one of the official aims of his visit to the U.S., where he is to attend an International Conference on Religious History.

It would be three years from now when his eldest son would start his studies in the United States as he is to graduate from the Gakushuin Univ. at that time.

The issue is expected to become one of the biggest facing the Imperial Household Agency.

British POW Indignant Over Japanese 'River Kwai' Version

LONDON. — British veterans of Japanese World War II prison camps demanded action recently against a Japanese book they charged whitewashed the men responsible for atrocities like those on the infamous Burma-Thailand Railway.

British newspapers rallied to their support.

A group of 42 veterans, who said they averaged 2 months each year undergoing treatment for injuries incurred while in Japanese prison camps, demanded the book be banned in Britain.

The book, "Glorious Memories of the Railway Regiment," written by two former Japanese officers, has just been published in Japan.

The veterans hoped to see James Hoard, secretary of Far East prisoners of war Association, to rally still other veterans to their campaign to ban the book if it is published here.

"We shall burn the book publicly if it comes out here," one veteran said.

Russell Braddon, an Australian author and broadcaster who spent four years working on the railway and in Changi jail in Singapore, said in an article in the Daily Express that "our memories of it (the railway) are not glorious."

"Allied prisoners being cold-bloodedly beaten to death by third class Japanese privates — while Japanese officers turned their backs on the murders, so as not to be obliged to stop them. This is not a thing one remembers gloriously," he added.

"A disaster of a book this," he said, "for it must fan alive and blazing in us the embers of hatred many of us had thought dead . . ."

One former prisoner, commenting on a quotation from the book, agreed with the Japanese that the film "Bridge on the River Kwai" was far from the truth.

"Not true," he said, "it was much too mild and gave no real idea of what the lads went through."

Another said he had seen a man kicked to death for picking up leaves from a path "maybe because he was starving," and added "every Japanese soldier I met seemed to be a sadist."

The Daily Express said editorially "the horror of the Burma-Siam railway was no myth of wartime."

The newspaper said Japan today is "anxious to be welcomed among the decent nations of the world. She is at present engaged on a determined drive to sell more of her goods in Britain.

"The British government should leave the Japanese in no doubt whatsoever that the road back does not lie in distorting or glorifying past wickedness. . ."

Japanese Put Ban On "Fanny Hill"

TOKYO. — A Japanese translation of John Cleland's 18th century novel "Fanny Hill," by the son of Japan's best known postwar prime minister, was banned by the Tokyo metropolitan police.

Police described the Japanese version of the controversial book as "pornographic literature." The novel has encountered similar difficulty in other countries.

The Japanese translation was done by Kenichi Yoshida, a noted scholar of English literature, literary critic, and the son of the former Prime Minister Shigeru Yoshida.

Soldier's Diary Is Given To Widow

TOKYO. — The diary of a Japanese soldier who died on Luzon Island shortly before the end of the Pacific war was handed over to his widow in Okayama through the good offices of the Fuji Telecasting Co.

The diary, belonging to Kunichi Ota, 25, at the time of his death, was presented to Mrs. Kazuko Ota by Mrs. Choko Yamagishi, wife of a company president living in Kamakura City south of Tokyo, during a TV morning show telecast by Fuji.

Mrs. Yamagishi brought back the 60-page diary from the United States last June. Her friend Floyd L. Kessler, Jr., of Dayton, Ohio had entrusted it to her.

Kessler had been asked to return the diary to the family of the soldier by his friend who picked it up in Luzon 20 years ago.

The diary covers a six-month period from Dec. 12, 1944 to May 19, 1945.

Negro Self-Hatred Biggest Problem, Says Dr. Hayakawa

SAN FRANCISCO. — Self-hatred built into him by the white man is one of the American Negro's most basic problem, according to Dr. S. I. Hayakawa, the celebrated Vancouver-born semanticist.

According to George Draper, San Francisco Chronicle staff writer, Dr. Hayakawa discussed "The Negro Revolution" at a San Francisco State College seminar recently.

Draper said Hayakawa pointed out the white man believes in his own superiority and has told the Negro about it.

"But the tragedy," he said, "is that the white man did it so well that Negroes came to believe in their own inferiority."

Hayakawa said society must now consider ways for the Negro to improve his conception of himself.

Members of other minority groups in the United States have been able to "take refuge in the culture of their parents till the going gets too rough," he said.

"You can say, "I'm a Jew, I'm a Swede, I'm a Chinese," and the sub-culture behind you says 'That's right.'

"But to say 'I'm a Negro' is one hell of a big problem to adjust to."

Hayakawa said that the American Negro's history is peculiar in that he does not have an ancient culture upon which to fall back.

Own Culture Destroyed

"In the process of being enslaved, his own culture was destroyed," the semanticist said. "How can you change the Negroes' self-concept so they can say, 'Im a Negro and that's nice. Feels pretty good to be a Negro'?"

Hayakawa answered his own question after considerable reflection, drawing heavily from Eric Hoffer, the longshoreman philosopher.

Hoffer, Hayakawa said, believes that "since the opinion of the white world is as it is," and since the Negro can't get out of the ghetto, he should try to make the ghetto something decent.

Thinking along these lines, Hayakawa said, the Negroes in Watts might someday be able to say: "We're from Watts (scene of the recent L.A. riots) and damn proud of it."

Urges More Self-Rule

They should be given as much self-rule of these ghettos as possible, he said, and have their own police and firemen. "They should be able to say, "Those are our cops."

Hayakawa said he was not trying to provide fodder for the arguments of segregationists, but he did hold forth the vision of Negro banks, stores, an mutual self-help organizations, of cleaned up ghettos, and of Negroes assuming responsibilities instead of waiting for "Mister white man to do it."

Integration, Hayakawa said, will not necessarily contribute to a greater Negro self-concept, "and it can intensify Negro feelings of inadequacy."
